

Friday Prayer Requests & Updates August 23, 2024

Jean Johnson's Prayer Request for Unspoken Needs on Fri. 8/23: "Karen, I know that I am not the only one who has unspoken prayer requests, but I just would like to **ask or remind everyone to please pray for those unspoken needs** that for whatever reason we are unable to share with the class. I know that I am very burdened with some of those needs and just want to ask everyone to please remember to keep those in mind also. I know that God knows the hearts of each of us and the burdens that we carry for others, and I know He understands that there are things that we just can't share, but we want others to pray for too. **So my prayer request is not just for mine, but for all of the unspoken needs that each of us may have.** Thanks, Jean"

C.J. Butler on Sunday, Aug. 18 in class - reported that Susan's Mama Lou was not doing well at all.

Sun. Evening, Aug. 18 - Singleterrys' Prayer for the Hillstroms (Misha's family) that AC man would get to their house soon since their AC was out! (Thankfully, he did & found/fixed the problem.)

"FYI: Please fervently pray for Karen Finney and family.**

The funeral for one daughter was planned for today. It's cancelled, though, because her other daughter had a heart attack and died this morning. We can only imagine the shock and grief. Karen is a friend who attends Prestonwood. I respect and appreciate all fervent prayers for this precious family. Jan"

Susan Butler's Update on Mama Lou via Karen Griffin on Tues. Aug. 20: "Dear Fellowship Life Group, Mom went to be with Jesus shortly after midnight Sunday night, 8-19-24. Bonnie and I were at her side when she took that last breath here and her first breath with Jesus. So very thankful for these days with her, and for the promise that she's finally free from suffering, now in the presence of the One and Only she's worshipped all her days! Our dad's 100th Birthday was Sunday 8-18-24 ... I think the Lord gave Mom her own special Day of Remembrance for her first day in heaven, while connecting it by mere minutes to her reunion with Dad on his special day! Celebration of Life service- Sunday - September 1st - 2 PM CENTURIES Funeral Home - 8801 Mansfield Road, Shreveport LA 71108 We love you and are deeply thankful for each of you who loved our sweet Mama Lou! ❤️🙏❤️"

Dan Sampson's Urgent Request for Betty Voss on Thurs. night 8/22: "Karen, Jim Voss called me tonight and told me that he had to put Betty in a care facility because she's not doing well at all. He asked me to contact you and request prayer for her. I'm staying in touch with them all along and will let you know anything that he tells me. It's a quite serious situation."

Karen S.'s Request for Stacy Whitaker on Fri. a.m. 8/23: "Please pray for Stacy Whitaker who has an appointment at 9:00 a.m. today for a cervical myelogram which insurance has now denied because the testing center apparently didn't request correct procedures."
